2010 ANNUAL REPORT BY-LAWS COMMITTEE

Dennis Frazier, Los Angeles Fire Department - Chair
Russel Rawls, Los Angeles Fire Department

This past year the committee worked with the Board to alleviate voting difficulties for mobility impaired members. Methods of dealing with meeting and voting locations for CSFA members are important to your Board. The Board wishes for all members to have access to participate in CSFA meetings. In addition, members have asked for assistance with local by-laws issues. The committee has assisted these members with recommendations and suggestions.

The Committee has met informally in conjunction with other meetings a few times during this year and the start of 2011. Most of the committee work has been through e-mails and phone calls. This saved the expense of having formal meetings. Another Committee meeting is planned at this year's Conference.

If you have requests, suggestions or questions, you may contact the committee through the office, at the phone number in our magazine or get me direct at fraz7@aol.com. Remember the committee is here to assist YOU and YOUR association is here to serve YOU. Please continue to utilize YOUR committees!

Respectfully submitted,

Dennis E. Frazier, Chair
