Resolution Committee Report

The resolutions committee meets at the annual CSFA conference to prepare the resolutions for presentation to the membership for voting. The committee determines if the resolution is in proper form, has current data, examines background information for relevance and consults the author as to purpose and goal. The resolutions are then presented to the membership at the business meeting.

Members of the resolutions committee are available at all times to assist the membership with the development of any resolutions.

Patricia Johnson

Co-Chair Resolutions Committee
