We love you and know that Margaret is now at home with the Lord and His Son, Jesus Christ.

Our best effort now is to show her that her strength, joy, and love was not wasted on us, but to live our lives as she did hers. We look forward to being God fearing, caring, and loving people just as Margaret was.

She has found Peace and now is giddy as a school girl climbing back up on her Daddy's lap. Her work here is complete. Please live your life as she has mentored us to and she will remain in our hearts forever.

Margaret's passion was motorcycle riding, especially with the Masonic Riding Association, Widow's Sons. Their Brazen Pillars Chapter missions include watching-over & helping Masonic Widows & Orphans. In honor of her last ride, memorial contributions may be made to the "Brazen Pillars" to further support their mission, including helping Masonic Widows w/honey-do home maintenance. This was one of Margaret's 1st loves. Or tax deductible donations can be made to Shriners Children Hospital.
