

PROUDLY SERVING THE ENTIRE CALIFORNIA FIRE SERVICE SINCE 1922

## 2017 ANNUAL REPORT BY-LAWS COMMITTEE

Dennis Frazier, Los Angeles Fire Department, Retired - Chair  
Bryan Geiger, Los Angeles Fire Department

As of this writing, your Committee has reviewed one proposed By-laws change submitted by a member. The Committee made recommendations for some changes and deletions, and anticipates receiving the revisions.

The Committee has also suggested to the Board reviewing a proposal to include the spouse of deceased members in some form of membership.

In January, the Committee completed this phase of training for the Board of Directors to increase effectiveness and efficiency during their meetings. The Committee monitored some of the Board meetings to evaluate the level of success of this training.

Your Committee has handled member questions and assisted with by-laws issues. Most of the By-laws Committee work has been through e-mails, phone calls or in conjunction with other meetings. This saves the expense of having formal meetings. Another Committee meeting is planned at this year's conference. Last year's conference included the Committee working with attending members, the Resolutions Committee and adding the Historical Society to the CSFA By-laws.

If you have requests, suggestions or questions, you may contact the Committee through the office, at the phone number in our magazine or e-mail me direct at [fraz7@aol.com](mailto:fraz7@aol.com). Remember the Committee is here to assist YOU; and YOUR Association is here to serve YOU. Please continue to utilize All YOUR committees!

Respectfully submitted,

Dennis E. Frazier, Chair
