## 2016 ANNUAL REPORT BY-LAWS COMMITTEE

Dennis Frazier, Los Angeles Fire Department, Retired - Chair  
Bryan Geiger, Los Angeles Fire Department

All members of the Committee (including President Shroul and liaison Cordobes) attended the July, two day, CSFA training sessions in San Jose facilitated by "Adapt" with Greg Redden and Dan Eggleton.

The Committee continues working with the Board of Directors to increase effectiveness and efficiency during their meetings. The Committee has monitored some of the Board meetings, making suggestions, assisting with procedures and helping guide discussion.

To date (first part of September) the Committee has reviewed one proposed By-laws change submitted by a board member. The Committee made recommendations for some changes and deletions, and anticipates receiving the revisions.

Your Committee has handled member questions and assisted with by-laws issues. Most of the By-laws Committee work has been through e-mails, phone calls or in conjunction with other meetings. This saves the expense of having formal meetings. Another Committee meeting is planned at this year's conference. Last years conference included the Committee working with attending members and the Resolutions Committee.

If you have requests, suggestions or questions, you may contact the Committee through the office, at the phone number in our magazine or e-mail me direct at [fraz7@aol.com](mailto:fraz7@aol.com). Remember the Committee is here to assist YOU; and YOUR Association is here to serve YOU. Please continue to utilize All YOUR committees!

Respectfully submitted,

Dennis E. Frazier, Chair
